## WHY SHOULD WE HELP COMMUNISTS KILL AMERICANS ?

It may well be the women who will finally save our civilization from its headlong plunge to barbarism and its retreat to the Dark Ages; certainly the male of the species has shown little concern. The "wakened female of the species" could turn back the "stark enthusiasts" of our day: the Messianic devotees of communist feudalism.

It happened in Brazil. In the November, 1964 Reader's Digest, Clarence W. Hall wrote, in "A Country That Saved Itself": "To the women of Brazil belongs a huge share of the credit for stopping the planned Red takeover. By the thousands, on a scale unmatched in Latin American history, housewives threw themselves in the struggle and, more than any other force, they alerted the country." His feature article should be studied by every American. The parallels between conditions in Brazil as he describes them and those in the United States today are chilling and sobering.

"This nation which God has given us, immense and marvelous as it is, is in extreme danger. We have allowed men of limitless ambition, without Christian faith or scruples, to bring our people misery, destroying our economy, disturbing our social peace, to create hate and despair. They have infiltrated our nation, our government administration, our armed forces, and even our churches with servants of totalitarianism, foreign to us and all consuming . . . Mother of God, preserve us from the fate and suffering of the martyred women of Cuba, Poland, Hungary and other enslaved nations." This is a portion of the

### THE FEMALE OF THE SPECIES

*When the early Jesuit fathers preached to Hurons and Choctaws,  
They prayed to be delivered from the vengeance of the squaws.*

*'Twas the women, not the warriors, turned these stark enthusiasts pale.*

Man propounds negotiations, Man accepts the compromise,  
Very rarely will he squarely push the logic of a fact

*'But the Woman that God gave him, every fibre of her frame  
Proves her launched for one sole issue, armed and engined for the same;  
And to serve that single issue, lest the generations fail,  
The female of the species must be deadlier than the male.*

May not deal in doubt or pity — must not swerve for fact or jest.

moving declaration prepared by the women of Sao Paulo for their impressive "March of the Family With God Toward Freedom," on March 19, 1964.

**"WHY SHOULD WE HELP COMMUNISTS KILL AMERICANS?"** "The Soviet Union and her East European satellites are sworn to our defeat !!! Communist nations are producing weapons and shipping them to Viet Cong, to kill our sons."

"All communist countries are on the brink of economic collapse. Without the Soviet Union, Communist China could not exist. Every product America sells or gives to communist countries helps them avoid total economic collapse, and frees more of their resources to produce weapons of war to kill our sons. Why does the United States help them?"

"If you think it right to help the communists kill our sons, **DO NOTHING!**" As alternatives, the Mothers' Crusade proposes some most constructive activities. This movement just could be the answer to the creeping horror that has been insinuating its slimy tentacles into every segment of OUR society. It's time the women got mad !! It's time our appeasers and opportunistic politicians felt the wrath of the "instant, white-hot, wild, wakened female of the species, warring as for spouse and child."

# JEWS BOAST OF WORLD PLOT

Is there a world-wide Jewish conspiracy to overthrow all Christian institutions in favor of Judaism? Is Communism merely "Jewry in action"? Is the Great Society a Jewish expedient to pull the United States down to ruin, that organized Jewry, constituting less than six per cent of our population, may take it over? The answer to these questions is . . .

## JEWS SAY SO

### GOD OKAYS THE CONSPIRACY

First come the rabbis, with their "holy" books — the Jerusalem and Babylonian Talmuds. While it is the statements of modern-day Jews in which we are primarily interested, nevertheless it is essential to know whence the Jew receives his religious authentication for the job he is attempting throughout all nations of the earth. Here are a few basic excerpts, giving the Jew his "religious" authority to perpetrate his World Plot—taken from the Torah, the most ancient source of Hebrew tradition—

"You are a people sacred to your Lord; he hath chosen you, that ye may be his own people among all those who are upon the earth." (Moses 1. 7. 6).

"And he will give their kings into thy hands and thou shalt extirpate their names from beneath the heavens; none shall be able to hinder thee until thou hast destroyed them." (Moses 5. 7. 24).

"Thou shalt lend to many peoples, but thou shalt borrow nothing. The Lord will put thee at the head and not at the tail; and thou shalt never be but on the top, and not beneath." (Moses 5. 28. 12-13).

"This day I shall begin to scatter fear among the nations, beneath all the heavens, so much that they will be terrified at the sound of thy name." (Moses 2. 2. 25).

"Ask of me, and I shall give thee the heathen for thine inheritance, and the uttermost parts of the earth for thy possession. Thou shalt break them with a rod of iron; thou shalt dash them in pieces like a potter's vessel." (Psalms, 2, 8-9).

"And the sons of strangers shall build up thy walls, and their kings shall minister unto thee." (Isaiah, 60, 10).

"For the nation and kingdom that will not serve thee shall perish." (Isaiah, 60, 12).

"But ye shall be named the Priests of the Lord . . . ye shall eat the riches of the Gentiles, and in their glory ye shall boast yourselves." (ib. 61, 6).

"Devour, then, all the peoples which thy Lord will give thee; let not thy eye spare them, and serve not their gods." (Moses 5. 7. 16).

"Ye Israelites are called men, while the nations of the world are not to be called men, but beasts." (Talmud, Baba Mezia, fol. 114, col. 2).

"The progeny of a foreigner (that is, of a non-Jew) is like the progeny of animals." (Jebamoth, fol. 94, col. 2).

"What is the meaning of Har Sinai, that is, Mount Sinai? It means the mountain from which radiates Sina, that is, hatred against the people of the world." (Schabbath, fol. 89, col. 1).

"Wherever the Hebrews go, they must make themselves the master of their lords." (Sanhedrin, fol. 19).

"The Most Holy spoke thus to the Israelites: You have recognized me as the only ruler of the world, and for that reason I will recognize you as the only rulers of the world." (Chaniga, fol. 3-a, 3-b).

### JEWS BRAG OF A WORLD PLOT

Take note of that last quotation. It is a direct translation from the Jewish "holy" books. It indicates that the Jews are the only people on earth who seem to have recognized the One God, wherefrom they draw the deduction that God in turn recognizes no other people but themselves, as fit to lead the world. On the other hand, over the past four thousand years, God doesn't seem to have kept His part of the covenant

very well. Jews have been chased out of every country on earth, sooner or later, and where they haven't been chased out, they have been butchered. So to help God in the matter of keeping that peculiar promise, Jews seem to have hatched up a World Conspiracy of a less celestial, and more practical, nature. That World Conspiracy has been accelerated by their concentrated power of the purse on the one hand, and bloody revolutionary violence on the other — in other words, Communism!

Do you think there is no evidence of a World Plot to subjugate Gentiles, overturn governments and substitute Judaism for Christianity? Or are you naive enough to fall for the "whitewash" that charges of such a plot are the work of Judah's "enemies"?

Well, what have you to say to the direct and shameless admissions that follow?

Take particular note that they are direct quotations out of the mouths of Jews themselves. Who spoke the words, or wrote them, and when and where, are all appended to each quotation—

"We intend to remake the Gentile — what the Communists are doing in Russia. Three generations may be required."—Rabbi Lewis Browne, in his book, "How Odd of God," 1924.

"We Jews, we, the destroyers, will remain destroyers forever. Nothing that you will do will meet our needs and demands. We will forever destroy because we need a world of our own."—Maurice Samuel in his book, "You Gentiles," page 155.

"I do not consider the Jewish question either as a social or as a religious problem. It is a national question. We are the only people."—Theodore Herzl, "Modern Jewish Prophet."

"The great ideal of Judaism is . . . that the whole world shall be imbued with Jewish teachings, and that in a Universal Brotherhood of Nations—a greater Judaism in fact—all the separate races and religions shall disappear!"—From "The Jewish World," issue of February 9, 1883.

"The principal end, which is Hebrew world domination, is not yet reached. But it will be reached and it is already closer than the masses of the so-called Christian States imagine. Russian Czarism, the German Empire and militarism are overthrown, all peoples are being pushed toward ruin. This is the moment in which the true domination of Jewry has its beginning."—Judas Schuldbuch, in "The Wise Men of Zion."

"There will come into being a new and complete organization of all the peoples of the earth. The maps of the earth in use today, will be worthless in the Regnum (Messianic) . . . On the basis of the light which emanates from the Sacred Scriptures we can look forward to Jerusalem being the capital of the world." (Id. in Rechfertigung, III, p. 321, and "Eine wiinschenswerte Regierung," p. 35). "The Jews will obtain the dominion over all the earth."—The Jew Russell, in "Schriftustden," 1917.

"The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys the Catholic or Protestant faith, he provokes indifference but he imposes his idea of the world, of morals and of life upon those whose faith he ruins; he works at his age-old task, the annihilation of the religion of Christ."—Bernard Lazare, in his book, "L'Antisemitisme," page 350.

"A rationalized Hebrew State founded on Hebrew fundamental laws, ethical, social, sanitary, and dietary, and all the rest, would be a working laboratory of social regeneration, which would excite breathless attention."—A. A. Berle Jr., in "The Significance of the Jewish State."

"The Jewish people, considered as a whole, will itself be its own Messiah. Its sovereignty over the world will be reached by means of the unification of the other human races, the elimination of frontiers and monarchies, which are the ramparts of particularism, and by means of the institution of a world republic

lic which will grant everywhere civil rights to the Jews. In this new organization of humanity the sons of Israel will become everywhere, without meeting an obstacle, the directing element, especially if they are successful in bringing the proletarian masses under the direction of some of their own number. The governments of the peoples included in this world republic, with the aid of the victorious proletariat, all will fall without difficulty into Jewish hands. Private property will then be strangled by the Jewish directors, who will administer the state patrimony everywhere. Thus the promise of the Talmud will be fulfilled, that is, the promise that the Jews, at the arrival of the Messiah, will possess the key to the wealth of all the peoples of the earth."—Baruch Levy, in world-famous letter to Karl Marx.

"Without having been absorbed, today the Hebrew spirit dominates where at first it was hardly endured. We no longer need to close ourselves up in the medieval Ghetto, since we have for some time possessed the dominion which was promised to us. Without us no potentate in the world can undertake anything, for we control the gold market. No word contrary to our taste is published because we control the press. No idea which displeases us penetrates the intellectual world, because we dominate the theater. The Hebrew spirit has conquered the world."—The Jew Maritz Cohn, in his book, "Weissen von Zion," page 27.

"We will attract the proletariat by gold and enticement; they will assume the task of annihilating Christian capitalism."

"We will promise the workers wages of which they have never dared to dream, but we shall also raise the price of necessities, so that our profit will be even greater."

"In this way we will prepare the way for revolutions which the Christians themselves will make and of which we ourselves shall reap the fruits."—Rabbi Reichhorn's remarks at the Tomb of Grand Rabbi Simeone ben Ihud.

"The time has come—one thing we want—to show ourselves for what we are — a nation amidst the nations—money princes, princes of intellect.—A sigh will go up from the whole earth—And the armies will tremble as they listen to the wisdom which dwells in the Jews."

"Who does not know what the glands in the human body represent? Now in the modern community of nations the Jews have in wise self-protection settled on the glands. These glands are: Exchanges, banks, ministries, daily papers. —Publishers, settlement commissions, insurance companies, hospitals, peace palaces."

"There are some publicans and sinners, savants and professors who assert there is no Jewish question.—Ask that young street urchin, he knows better. —Out of warlike ambition he is anti-Semitic, the lout. Of course the Jewish nation should possess international representation and have its own territory."

"Do not however believe that the Jews of Western Europe will move one step from the spot. —Apparently everything will stay the same, yet all will be quickly changed.—Jerusalem will become the new papacy. —Jerusalem will be as a busy spider, a spinning spider in a web whose threads of electricity and gold glisten over the world. The centre of this golden web to which all threads run is Jerusalem."—From the Jewish poem by Louis Levy, recited by the Jewish actor Besekoow.

"No agitators did more to bring in the revolution (French) of 1848 than the two Jews, Heinrich Heine and Ludwig Borne. It was a Jew, Leon Trotsky, who led the Red Army which saved the Communist Cause in Russia. It was a Jew, Karl Liebknecht, aided by a Jewess, Rosa Luxembourg, who led the Spartacist insurrection in Germany. It was a Jew, Bela Kuhn, who set up the Red Regime in Hungary. It was a Jew, Kurt Eisner, who led the Socialist Putsch in Bavaria. To the Jew, revolutionary activity seems to

(Continued on Page 3)

(Continued from Page 2)

be the one road to ultimate freedom."—Rabbi Lewis Browne, in his book, "How Odd of God," 1924.

"All through history the spirit of the Jews has been revolutionary and subversive, but subversive with the idea of constructing over ruins." —By the Jew A. S. Rappaport, in "Pioneers of Revolution," 1918.

"When the Jew gives his thought, his devotion, to the cause of the workers and of the dispossessed, of the disinherited of the world, the radical quality within him goes to the roots of things, and in Germany he becomes a Marx and a Lassalle, a Haas and an Edward Bernstein; in Austria he becomes a Victory Adler and a Friedrich Adler, in Russia, a Trotsky. Just take for a moment the present situation in Russia and in Germany. The revolution set creative forces free, and see what a large company of Jews was available for immediate service. Socialist Revolutionaries and Mensheviks, and Bolsheviks, Majority and Minority Socialists — whatever they be called — Jews are to be found among the trusted leaders and the routine workers of all these revolutionary parties." —Rabbi Judah L. Magnus, in a New York address, 1919.

"Nations will gather together to bring their homage to the people of God; the whole fortune of nations will pass into the hands of the Jewish people, they will march behind the Jewish people, in chains as captives, and will prostrate before it; kings will bring up its sons, and princesses will suckle its children. Jews shall command nations; they will call to them peoples which they do not even know, and peoples which know them will run after them. The riches of the sea and the wealth of nations will come by themselves to the Jews. Peoples and realms that will not serve Israel will be destroyed. The Chosen People will drink the milk of nations and suck the breast of kings, eat the fortunes of nations and dress in their magnificence. Jews will live in plenty and joy, their happiness will be ceaseless, their hearts will rejoice, they will grow like grass. Jews will be a race blessed by God, the priests and servants of God and their whole people will be a nation of pious. The issue of Jews and their name will be eternal, the smallest among them will multiply by the thousands and the lowest

will become a great nation, God will seal with them an eternal covenant. He will reign anew upon them, and their power over men will be such that, according to the accepted expression, they will walk by great strides on the heights of the earth. Nature itself will be transformed into a sort of paradise on earth, it will be the golden age of humanity." —Isador Loeb, in "Le Problem Juif," Paris.

"The dispersion of the Jews has rendered them a cosmopolitan people. They are the only cosmopolitan people, and in this capacity must act and are acting, as a solvent of national and racial differences. The great Ideal of Judaism is not that Jews shall be allowed to flock together one day in some hole-in-the-corner fashion, for, if not tribal, at any rate separatist objects but that the whole world shall be imbued with Jewish teachings, and that in a universal Brotherhood of Nations — a greater Judaism, in fact — all the separate races and religions shall disappear.

"As cosmopolitan people, Jews have passed the stage that the national forms of separatism represents in social life. They can never come back to it. They have made the whole world their home and now extend their hands to other nations of the earth so that they follow their example. They do more. By their activities in literature and science, by their dominant position in all branches of public activity, they are gradually moulding Gentile thinking and systems into Jewish moulds." —From "The Jewish World," London, February 9, 1883.

"An insurrection takes place against tradition and aristocracy, against religion and property. Destruction of the semitic principle, extirpation of the Jewish religion, whether in the Mosaic or in the Christian form, the natural equality of man, and the abrogation of property, are proclaimed by the secret societies who form provisional governments, and men of Jewish race are found at the head of every one of them. The people of God cooperate with atheists; the most skillful accumulators of property ally themselves with communists; the peculiar and chosen race touch the hand of all the scum and low castes of Europe! And all this because they wish to destroy that ungrateful Christendom, which owes to them even its name, and whose tyranny they can no longer endure." — Benjamin D'Israeli, in Lord George Bentinck, page 357.

"The union which we desire to found will not be a French, English, Irish, or German Union, but a Jewish one.

"Other peoples and races are divided into nationalities; we alone have no co-citizens, but exclusively co-religionists.

"A Jew will under no circumstances become the friend of a Christian or a Moslem before the moment arrives when the light of a Jewish Faith, the only religion of reason, will shine all over the world.

"Scattered amongst other nations, who from time immemorial were hostile to our rights and interests, we desire primarily to be and to remain immutably Jews.

"Our nationality is the religion of our fathers, and we recognize no other nationality.

"We are living in foreign lands, and cannot trouble about the mutable ambitions of countries entirely alien to us, while our own moral and material problems are endangered.

"The Jewish teaching must cover the whole earth, Israelites! No matter where fate should lead—though scattered all over the earth, you must always consider yourselves members of a Chosen Race.

"If you realize that the Faith of your forefathers is your only patriotism—

"—if you recognize that, notwithstanding the nationalities you have embraced, you always remain and everywhere form one and only nation —

"—if you believe that Jewry only is the one and only religion and political truth —

"—if you are convinced of this, you, Israelites of the Universe—consent! —

"Our cause is great and holy, and its success is guaranteed. Catholicism, our immemorial enemy, is lying in the dust mortally wounded in the head.

"The net which Israel is throwing over the globe of the earth is widening and spreading daily, and the momentous prophecies of our holy books are at last to be realized.

"The time is near when Jerusalem will become the house of prayer for all nations and peoples, and the banner of Jewish monodeity will be unfurled on the most distant shores.

"Let us avail ourselves of all circumstances.

"Our might is immense — learn to adopt this might for our cause.

"What have you to be afraid of?

Perhaps these reforms are the cause of the present tranquillity, because the revo-

lutionary leaders nearly all belong to the Jewish race and the most effective revolutionary agency is the Jewish Bund, which has its headquarters at Bialystok, where the massacre occurred last June. The government has suffered more from that race than from all of its other subjects combined. Whenever a desperate deed is committed it is always done by a Jew, and there is scarcely one loyal member of that race in the entire Empire. The great strike which paralyzed the Empire and compelled the Czar to grant a constitution and a parliament was ordered and managed by a Jew named Krustaleff, president of the workingmen's council, a young man only thirty years old. He was sent to the penitentiary for life, and had not been behind the bars more than three weeks when he organized and conducted a successful strike of the prison employees.

Maxim, who organized and conducted the revolution in the Baltic provinces, is a Jew of marvelous ability. Last fall he came over here lecturing and collecting money to carry on the revolutionary campaign, but for some reason has vanished and nobody seems to know what has become of him.

Gerschunin, the most resourceful leader of the terrorists, who was condemned to life imprisonment in the silver mines on the Mongolian frontier, has recently escaped in a water cask, and is supposed to be in San Francisco. He is a Polish Jew only twenty-seven years old. I might enumerate a hundred other revolutionary leaders and every one of them would be a Jew. Wherever you read of an assassination or of the explosion of a bomb you will notice in the newspaper dispatches that the man was a Jew. The most sensational and dramatic episode that has occurred since the mutinies was on October 27, when, in the very center of Saint Petersburg, at the entrance of Kazan Cathedral, four Jews held up a treasury wagon and captured \$270,000. They passed the package to a woman, who instantly vanished, and no trace of her has ever been found; but they were

all arrested and were promptly punished. On the 8th of November a few Jewish revolutionaries entered a treasury car near Ragow, in Poland, got \$850,000, and disappeared.

Every deed of that kind is done by Jews, and the massacres that have shocked the universe, and occurred so frequently that the name "pogrom" was invented to describe them, were organized and managed by the exasperated police authorities in retaliation for crimes committed by the Jewish revolutionists.

### Editor's Note

This actual photograph, reduced in size, speaks for itself.

The following from the Protocols of the Elders of Zion also carries an important message for those who doubt a world Jewish plot.

14 . . . Remember the French Revolution, to which it was we who gave the name of "Great": the secrets of its preparations are well known to us for it was wholly the work of our hands.

15 . . . Ever since that time we have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us in favor of that King-Despot of the blood of Zion, whom we are preparing for the world.

Protocol III

## JEW SAYS SO

(Continued from Page 3)

"The day is not distant when all the riches and treasures of the earth will become the property of the children of Israel." —Adolphe Cremieux, Jew, in "The Manifesto," London Post, September 6, 1920.

"You resent us, but you cannot clearly say why."

"Not so many years ago I used to hear that we were money-grubbers and commercial materialists; now the complaint is being whispered around that no art and no profession is safe from Jewish invasion."

"We shirk our patriotic duty in war time because we are pacifists by nature and tradition, and we are the arch-plotters of universal wars and the chief beneficiaries of those wars."

"You accuse us of stirring up revolution in Moscow. Suppose we admit the charge. What of it?"

"You make much noise and fury about undue Jewish influence in your theatres and movie palaces. Very good; granted your complaint is well founded. But what is that compared to our staggering influence in your churches, schools, your laws and your government, and the very thoughts you think every day?"

"You have not begun to appreciate the real depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the latest great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it."

"Who knows what great and glorious destiny might have been yours if we had left you alone."

"But we did not leave you alone. We took you in hand and pulled down the beautiful and generous structure you had reared, and changed the whole course of your history. We conquered you as no empire of yours ever subjugated Africa or Asia."

"We did it solely with the irresistible might of our spirit, with ideas, with propaganda."

"... Take the three principal revolutions in modern times — the French, the American and Russian. What are they but the triumph of the Jewish idea of social, political and economic justice?"

"And the end is still a long way off. We still dominate you."

"Is it any wonder that you resent us? We have put a clog upon your progress."

"We have merely divided your soul, confused your impulses, paralyzed your desires."

"So why should you not resent us? If we were in your place we should probably dislike you more cordially than you do us. But we should make no bones about telling you why."

"You call us subversive, agitators, revolution-mongers. It is the truth, and I cower at your discovery."

"We undoubtedly had a sizable finger in the Lutheran Rebellion, and it is simply a fact that we were the prime movers in the bourgeois democratic revolutions of the century before last, both in France and America. If we were not, we did not know our own interests."

"The Republican revolutions of the 18th century freed us of our age-long political and social disabilities. They benefited us."

"You go on prattling of Jewish conspiracies and cite as instances the Great War and the Russian Revolution! Can you wonder that we Jews have always taken your anti-Semites rather lightly, as long as they did not resort to violence?" —Marcus Eli Ravage, in "Century Magazine," January-February, 1928.

What a wealth of meaning is contained in this last quotation: "As long as they—Gentiles—did not resort to violence." Violence

## Let's Revive The Spirit of '76

is abhorrent to the Jew, when exerted upon himself; but it is "social progress," and the "rise of the proletariat" when the Jew undertake to wreak it upon the Gentiles."

Yes, there is a world plot to overthrow all Christian governments and bring the whole earth beneath the heel of Christless Judaism.

The plan is outlined in the PROTOCOLS OF THE LEARNED ELDERS OF ZION and every Christian should be familiar with this diabolical plot. The Jews claim it is a forgery, but as Henry Ford stated in the New York World, Feb. 17, 1921:

"The only statement I care to make about the Protocols is that they fit in with what is going on. They are sixteen years old, and they have fitted the world situation up to this time. THEY FIT IT NOW."

We are indebted to William Dudley Pelley who compiled the quotations in this issue taken from his book, "Jews Say So."

In the early days of New Deal treason, there was one man under the Roosevelt red regime during the 1930's who dared fight the entrenched red Marxists in our government: WILLIAM DUDLEY PELLEY. Pelley, founder of the "Silver Shirts," was convicted of sedition arising from articles contained in his magazine "Galilean" which were allegedly "giving aid to our country's enemies." Those familiar with Pelley's pro-American activities maintain he was railroaded into jail because he was anti-Communist and favored "wholesale and drastic ousting of every radical Jew from the U.S."

Pelley's exposure of the treasonous activities in the New Deal, earned him the title "Dean of anti-subversionist fighters." He died at the age of 75 on June 30, 1965, a forgotten patriot.

## Benjamin Franklin and the Jews

"In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to undermine the Christian religion, have built up a state within a state, and have, when opposed, tried to strangle that country to death financially."

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in in such great numbers that they will dominate and devour the land and change our form of government."

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish the substance while they will be in the counting house rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves. Jews, gentlemen, are Asiatics; they will never be otherwise."

*The above is taken from an address delivered by Benjamin Franklin before the Constitutional Convention in Philadelphia in 1787.*

## BONDAGE OF THE FREE

By KENT H. STEFFGEN

*A most thought-provoking and penetrating analysis of the so-called "Civil Rights" movement and integration*

BONDAGE OF THE FREE spans the hundred years from Lincoln to LBJ along the civil rights trail. The author traces present day civil rights revolution to its predecessor THE FRENCH REVOLUTION, and points out that it has adopted the same mob rule slogan: "LIBERTY, EQUALITY, FRATERNITY." Steffgen reviews the first southern reconstruction, led by fortune hunters and bolsheviks, which turned the American dream into a horrifying nightmare for both white and Negro alike. Today it is a new generation of radicals preparing for a new power grab in the most diabolic betrayal in U.S. history. Puts stark reality of Negro question into proper focus and establishes with documented findings by authorities in both races, the complete impracticality of integration and the complete incompatibility of the Negro to measure up to white standards on intellectual, social or moral grounds.

Why have Americans been turned into guests in their own country? Who has made them vassals of the state? BONDAGE OF THE FREE establishes beyond question it is the white race that is wearing the chains. 381 Pages ----- Price \$1.00.
